

Hampden Veterinary Hospital

Celebrating 50 years of RCVS Accreditation

“a splendid smart and well equipped traditional mixed practice - an impressive set-up” (RCVS 2017)

Farm Veterinary Surgeon

We are looking for an enthusiastic experienced farm veterinary surgeon to join our dedicated farm team. You will provide veterinary services to our dairy, beef and sheep clients across the Aylesbury Vale, Chilterns and surrounding area.

A generous salary package is provided, commensurate with experience.

Hampden Veterinary Hospital has been established for over 80 years and includes a dedicated RCVS accredited Small Animal Hospital and Equine Practice, as well as our highly respected busy Farm Practice.

Aylesbury is situated on the edge of the Chilterns with excellent road and rail access to both city and rural pursuits.

Job Details:

- * Start date – ASAP
- * Salary – Generous package, commensurate with experience and qualifications.
- * Hours – Full time or part time
- * CPD - is strongly encouraged. An allowance and time away from work is provided.
- * Holiday - initially 28 days, increasing to 33 days pa.

The Ideal Vet:

You will be enthusiastic with excellent client care skills, be able to build strong trusting relationships with our farmers, and be able to articulate clear treatment and herd health advice, plus the options available. You need to be able to work well within our clinical and non-clinical teams.

You should also be able to take sole charge on call and be competent in areas such as pregnancy testing, caesareans, calving's etc. TB testing qualified would be an advantage.

Please send your CV with covering letter to smallanimal@hampdenvets.co.uk

Please note, it may not always be possible to reply to all applicants. If this is the case, please accept our thanks for your interest in working for us.
