

We are offering an exciting opportunity for 2 permanent full time RVN's to join our large team of passionate nurses in our busy tier 3 Small Animal hospital. Our current vacancies are as follows:

1. A full time RVN or experienced second year student including a 1:4 weekend day rota with time off in lieu.
2. A full time RVN to participate in a 6 week rolling rota including 4 weeks of days, one week of nights, followed by a week off as rest. This position would allow those with an interest in Emergency and Critical Care to develop their skills in our well-equipped practice.

A full time working week is 38.75 hours alternating shifts between ward, theatre and discharging/dispensing.

We offer a competitive salary dependent on experience. Generous CPD allowance, pension scheme and employee benefits are available to staff members. Nurses are very much encouraged to advance their qualifications by completing certificates, advanced diplomas or courses of interest.
