

Hampden Veterinary Hospital

Celebrating 50 years of RCVS Accreditation

“a splendid smart and well equipped traditional mixed practice - an impressive set-up” (RCVS 2017)

Small Animal Veterinary Surgeon

We are looking for an enthusiastic veterinary surgeon to join our dedicated small animal clinical team at our RCVS Accredited Hospital, located in central Aylesbury, Buckinghamshire.

Hampden Veterinary Hospital and its predecessors has been serving the pet owners of Aylesbury and the surrounding area for over 80 years it was the first hospital to gain RCVS accreditation, this has recently been renewed.

The Hospital was purpose built in 2009 and provides a modern fully equipped facility with three operating theatres, digital X-ray, ultrasound, endoscopy and a superb in-house laboratory staffed by qualified lab technicians. The Practice undertakes its own orthopaedic surgery including TPLO Operations. The Practice is very friendly and supportive, providing an excellent environment to develop your general veterinary and surgical skills. We are also a registered VN Training Practice.

Our Hospital's primary focus is the care of in patients undergoing surgical or investigative procedures, and is supported by our four local branch surgeries situated around Aylesbury and a nearby village. From these, pets are referred to the Hospital for inpatient procedures.

To provide the best continuity of care, vets are assigned to each branch surgery and follow their cases through to the Hospital for inpatient care. To ensure we provide the best local care possible to our clients and their pets, we provide our own Out of Hours service staffed by our own dedicated night team.

We are very proud that in our last customer survey 98% of clients said they would recommend us to family and friends.

Aylesbury is situated on the edge of the Chilterns with excellent road and rail access to both city and rural pursuits.

- Weekend rota 2 in 8.
-

The Ideal Vet:

You will be enthusiastic with excellent client care skills, be able to build strong trusting relationships with our clients, and be able to articulate clear treatment advice and options. You need to be able to work within our clinical and non-clinical teams, and to proactively help with the development of your branch surgery. It is also important that you want to develop your general veterinary and surgical skills.

Please send your CV with Covering letter to our Practice Manager, Anne Asprey:
smallanimal@hampdenvets.co.uk

Please note, it may not always be possible to reply to all applicants. If this is the case, please accept our thanks for your interest in working for us.
