

Job Vacancy

Registered Veterinary Nurse

We are excited to be looking for an enthusiastic, hardworking and passionate RVN to join our small animal team at our busy tier 3 purpose-built 24-hour hospital.

Our facility includes 3 operating theatres, dental rooms, separate canine, feline and exotics ward, isolation room, on-site laboratory, and x-ray, ultrasound and endoscopy diagnostic imaging.

Our veterinary team consists of dedicated veterinary surgeons, qualified and student nurses, a kennel assistant, receptionists, laboratory technicians and a practice manager.

It is important to us that our staff are up to date with new developments within their profession and continually develop their skills and competencies so that we can continue to offer the best services to all our clients. Encouragement is therefore given to those who wish to undertake CPD courses, merits and certificates.

We offer a competitive salary dependant on experience.

You will benefit from 20 days holiday plus 8 bank holidays, which increases with length of service.

You will also be able to take advantage from our employee health scheme which helps to cover the costs of dental care, physiotherapy, eye care and more, as well as enrolling into a pension scheme.

The job role consists of a full-time working week of 38.75 hours with a variety of different shifts going between theatre, ward and discharging/dispensing. Shift patterns include:

- 0730 - 1615
- 0815 – 1700
- 0845 – 1730
- 0945 – 1830
- 1045 – 1930

12-hour weekend and Bank Holiday shifts would also form part of your role within the team.

If you are interested in this role and require more information or would like to apply, please send your CV and a cover letter to Catherine Edwards with the reference 'day RVN role':
